

FiaTest

***Q4I Project – Quality for innovation in
European Schools***

Piloting Process in Romania

Piloting Process in Romania

General set up:

- ★ 1-2 facilitators (group experts)
- ★ 1-2 partners from schools (mentor)
- ★ 6 workshops in 4 month
- ★ Implementation phases between workshops

Piloting Process included 6 Workshops divided in 3 Phases :

- 1. Definition phase:** Self-Assessment, defining goals and improvement opportunities
- 2. Achievement phase:** Sharing experiences and support to innovation processes
- 3. Evaluation phase:** appreciating achievements

Getting started

22 Potential schools invited to participate in Piloting phase

Proiectul Q4I – Calitate bazată pe Inovare în școlile din România

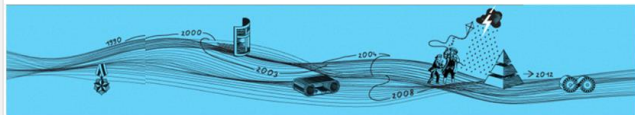

★ 11 schools have answered

★ First meeting to illustrate all the aspects of the process – took place at Fiatest Office

★ The participants were informed about the project: time frame, objectives, partnership, purpose, Q4I Model, Piloting Phase in Romania.

Workshop 1

- ★ FiaTest had meetings with 4 schools:
 - Gymnasium School "Ferdinand I" Bucharest
 - Gymnasium School "Sfanta Mucenita Filoteea" Pitesti;
 - Technical College "Henry Coanda", Bucharest;
 - Gymnasium School "128" Bucharest
- ★ Stated objective: Discovering the school and its quality policies.

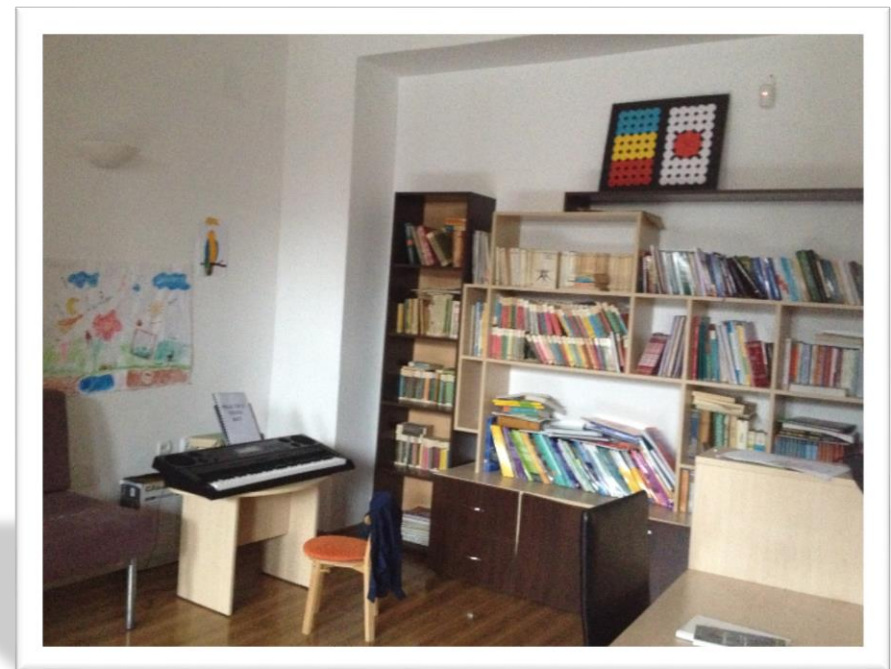

Workshop 1

- ★ The workshop consisted in interviewing the school staff (management and CEAC Responsible) to discover the needs and problems of the school as well as its resources.
- ★ After the meetings, the schools representatives filled in the form "Discovering the School".

Workshop 2

- ★ Self-assessment
Questionnaire presented
to participant schools.
- ★ 2 out of the four participant
schools have filled in the
online SAQ on Encuesta
Platform.

Workshop 3

- ★ FiaTest has presented the Q4I Model to schools representatives, and discussed about the Quality and Innovation goals to be included in Action Plans.

- ★ These goals are correlated with the Model's engines of change, each school defining the areas to be improved.

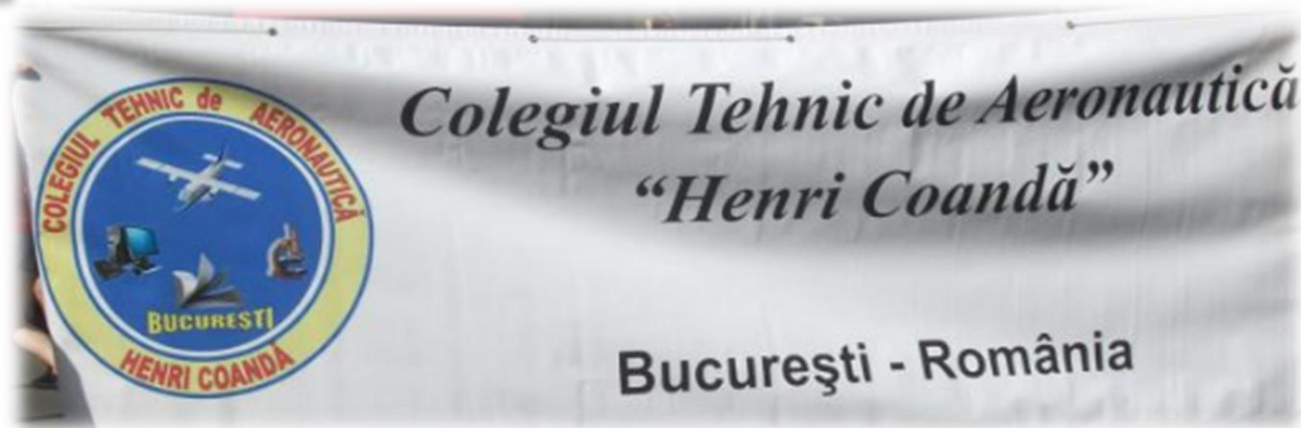

Workshop 3

- ★ FiaTest experts offered support to the school staff in order to define and to develop specific Q&I objectives, considering the school context, and including all the 6 Areas of change of the Q4I Model.
- ★ At the end of the workshop, all the aspects of the piloting process have been explained in detail and each school developed an Action Plan.

Workshop 4 & Workshop 5

- ★ Will be delivered simultaneously by mid-June, this term being the end of school year in Romania.
- ★ FiaTest supports the innovation process with inputs of useful resources and tools and assists the school on monitoring the Action Plan in order to achieve the stated goals.

Workshop 6

- ★ Finishes the strategy building process
- ★ We expect this workshop to take place at the beginning of July.

Thank you!
